## Governing Board Resolution

Resolution:	2021-04
Date:	January 22, 2021
Title:	Authorizing an Agreement with Motorola Solutions for Annual Maintenance

### Background

The maintenance contract for the COIRS Upper Arlington tower site located on Reed Road expires on March 31, 2021. With the installation of this site not on the same maintenance cycle as the other components of the system, a separate System Upgrade Agreement (SUA) with Motorola Solutions is necessary. The Technical Committee is recommending an annual agreement be entered into based on cost and operational efficiency.

### Resolution

Authorizing the Governing Board President to enter into a System Upgrade Agreement (SUA) with Motorola Solutions, for the term of one year, at a cost of \$27,775.80.
