## Governing Board Resolution

Resolution:	2025-02
Date:	January 17, 2025
Title:	Budget Transfer

### Background

The daytime white strobe light on the Huntley Road tower is out. A bad control board has caused the issue and requires replacement. The control board for this strobe sits atop the tower. Tri-County Tower has proposed replacing the strobe with an LED strobe and a control board housed on the ground within the shelter.

### Resolution

Approve a \$16,600 transfer for the LED strobe upgrade for the Huntley Tower Site. \$16,600 shall be reallocated from OBJ 713004 to OBJ 724003 of the COIRS operating budget.
